Parents, while school supplies are on sale at the beginning of the year, you may find it helpful to stock up on a few packs of crayons, glue sticks, and pencils as student supplies will need to be replenished throughout the school year. As we have in the past, we will be partnering with local organizations to support school supplies for families that may need our support during this time. Please do not hesitate to reach out to MES if you need assistance in preparing for the upcoming school year.
